

Demographic Questions

The following questions have been compiled upon referencing various resources including, but not limited to, The University of Tennessee's application for admission, The University of Tennessee's Equal Employment Opportunity Self-identification Form, NSSE and with input from Student Voice professionals, The University of Tennessee's LGBT Commission, The Consortium of Higher Education LGBT Resource Professionals and The Division of Student Affairs Assessment Team.

In order to maintain reporting consistency, the Assessment Team suggests the first three items are required on all future Division of Student Affairs assessments. Item four is strongly recommended. The remaining questions are considered common format and are to be used as needed.
