

Standards of Fraternal Excellence Fall 2024 End-of-Year (2024 Calendar) & Mid-Year (2024-25 Academic) Report

The Standards of Fraternal Excellence (SOFE) breaks down the expectations for each chapter within the Sorority & Fraternity Life community at the University of Tennessee, Knoxville. Below details the threshold of minimum expectations for all chapters while setting the path toward chapter excellence. Chapters have the ability to earn 100 points throughout their election cycle, whether academic or calendar year. In 2016, in conjunction with students, staff, faculty, and fraternal umbrella associations, SOFE was created, and has since been updated to reflect the demands of sororities and fraternities on modern college campuses.

The University of Tennessee, Knoxville recognizes that sororities and fraternities are an integral part of the campus community. These organizations have a positive impact for members, nonmembers, alumni, and the local and national community. To achieve mutual success for the institution and the sorority and fraternity organizations, there must be trust and shared responsibility. This document outlines the commitments of the University, the Division of Student Life, the Office of Sorority and Fraternity Life (OSFL), sorority and fraternity organizations, inter/national organizations, sorority and fraternity volunteers, and student members.

SOFE will have the following categories: education, administration, academics, civic engagement, and excellence. These categories will determine the chapter standings for their following election cycle. All points earned must be obtained during their election cycle. Points earned during breaks will be awarded for the following semester, and category due dates are listed in the [SOFE Breakdown Document](#).

Chapters that fall under 70 points (Unacceptable standing) will work with OSFL to develop a performance improvement plan. All organizations that fall within this category will attend a meeting with OSFL, chapter leadership, chapter advisor(s), and inter/national headquarters representative(s). During this meeting, representatives will discuss the previous years' SOFE performance, the chapter's relevancy to the community, an improvement plan, goals for the next year's SOFE cycle, and an agreed upon coaching sessions for the upcoming year. For Chapters that fall under 70 points three consecutive years, a review committee, composed of the Director of OSFL, a representative from the Dean of Students Office, respective council president, representative from Student Conduct and Community Standards, alumni/a representative, and an additional staff member from the Division of Student Life, will review the organizations status on campus as a registered student organization during a petition meeting. Chapters that are unable to obtain 70 points due to extenuating circumstances out of the control of the chapter will be assessed on a case-by-case basis; these chapters may be given the standing of "Good Standing" but not given a star ranking.

SORORITY & FRATERNITY LIFE

Fall 2024 Review

The sorority and fraternity community continues to value community service hours and philanthropic donations demonstrated by each of the members. There have also been significant donations made to both local and national non-profit organizations through the community's philanthropic efforts.

Through the framework of SOFE, our sororities and fraternities excelled in creating and engaging in programming that has positive impacts not only in their individual organizations, but also in their respective councils and local and national Greek communities. Our members came together to celebrate and educate their chapters and the community at large with different events that include the following:

- From summer to fall 2024, philanthropy was at the core of many community-wide initiatives with **Panhellenic partnering with Circle of Sisterhood** for a trek to Senegal for a school build and **IFC** hosting their inaugural Fall Jam raising over \$33,000 for East Tennessee Children’s Hospital.
- **Theta Chi** developed a service partnership with **Metro Drug Coalition**, which is also our newest GreekServe opportunity.
- **Delta Phi Lambda Sorority, Inc.** fundraised for the Bone Health and Osteoporosis Foundation through their inaugural “Butterfly Ball” event.
- **Phi Mu** collaborated with the **Office of Title IX** to provide an educational seminar on healthy relationships.
- The Panhellenic Council put on their **4th Annual “Trick or Treat”** event, which welcomed Knoxville families to Sorority Village and strengthened community relations.
- All 4 councils, along with SGA, kicked off homecoming week with the 11th annual **Homecoming Bonfire**.
- **Sigma Sigma Rho Sorority, Inc.** hosted their “Sigma for Society” philanthropy week, which included samosa and mango lassi sales, as well as tabling for domestic violence awareness and prevention.
- **Alpha Kappa Alpha Sorority, Inc.** and **Zeta Tau Alpha** partnered with the Office of Multicultural Student Life for their “Diversify Your Garden” event to promote mattering and belonging among their chapter members.
- In Fall 2024, there were more than **1,700 registered/approved events** on VOLink (2,894 approved events in 2024).

As shown below, the four-year academic history of average GPAs demonstrates the community’s achievement of exceeding the all-university average GPA. Records dating back to Spring 2017 can be found [here](#).
