

## MSL Summer Student Ambassador

The Office of Multicultural Student Life has openings during the summer for **Summer Student Ambassadors**.

### Responsibilities:

This job will support the Office of Multicultural Student Life (MSL) during summer semester 2024. Duties will involve helping to organize and prepare our spaces and resources for the upcoming academic year. Most importantly, the Ambassador represents MSL during summer orientation and other tabling events. Ambassadors will help by manning the front desk and setting up for space reservations.

Work study students should be taking at least one course during the summer months and can start as soon as hiring is completed. If you do not have work study, please email a copy of your resume, and describe why you want to work for MSL to [Multicultural Student Life](#). Pay is \$11 per hour and your scheduled hours will depend on your FWS award, MSL needs, and your class schedule.

### MSL's Mission:

Multicultural Student Life is dedicated to promoting a welcoming and inclusive campus environment while advocating for traditionally marginalized students by providing academic support, multicultural education, identity exploration, leadership development, and diverse and innovative programming through collaborative partnerships. We strive to assist in the retention and graduation of students who are empowered to positively impact a global society.
