Work History

- Pride Center Graduate Research Assistant** July 2021 – Current
University of Tennessee – Knoxville, TN
• Oversee and manage the peer mentoring program of around 40 students. Focus on recruitment, advertise the program, create and run monthly meetings, and plan service opportunities. Support mentors and mentees with monthly check-ins and get them involved in the campus community.
• Participate in campus outreach through trainings and education. Inform students of the resources available through the Pride Center and facilitate 4-6 Safe Zone trainings per semester, educating over 150 students, staff, and faculty on LGBTQ+ issues and topics.
• Plan workshops and events with other departments to develop inclusive and diverse programming.
- Assistant Residential Education Coordinator** May 2022 – August 2022
Fashion Institute of Technology – New York, NY
• Maintained daily functions of Kaufman Hall, an apartment-style residence hall that served over 600 summer interns from across the country and internationally.
• Assisted with coordinating check-in and check-out procedures, opening and closing of residence halls for the Summer semester, requests for accommodations, and any related room assignment problems.
• Supervised a staff of 20 Summer Resident Assistants and provide on-going feedback and evaluation. Facilitated conversations around conflict resolution, empathy, and navigating conduct.
• Responded to conduct violations, COVID-19 response, and participate in the 24/7 crisis management on call rotation.
- Practicum Student - Office of Ombuds Services** January 2022 – May 2022
University of Tennessee – Knoxville, TN
• Learned how to engage in conversations around microaggressions and assist the Ombudsperson in developing ideas and materials for a training based on navigating microaggressions in higher education settings.
• Maintained confidentiality when in mediation meetings with graduate students and faculty, led by the Ombudsperson.
• Created a collection of resources and trainings focused on conflict management for the graduate student audience to be displayed on the Office of Ombuds Services website.
- Emergency Management Intern** June 2019 to December 2019
Leon County Emergency Management – Tallahassee, FL
• Learned how a county Emergency Operations Center works and the interactions between the fire department, police department, EMS, and emergency management.
• Worked directly with community partners and nonprofits in developing a database of Community Organizations Active in Disaster and planned meetings with the leadership team.
• Reviewed operational plans from other locations to identify options for local systems.
• Maintained current understanding of local, state, and federal guidelines for emergency response.
- Resident Assistant** December 2017 – May 2020
Florida State University – Tallahassee, FL
• Reported and documented incidents within the hall, enforced student conduct code, understood emergency procedures, and reported to the FSU Police Department when applicable.
• Engaged with residents and served as a referral source for university resources and understood the importance of discretion and confidentiality.
• Assisted in the recruitment, selection, and training of new and current staff members.
• Developed rapport to create a safe and trusting environment for care.
• Created and implemented social, educational, and recreational programs for 44 residents within a budget.

Leadership

College Student Personnel Association

December 2021 – May 2023

University of Tennessee – Knoxville, TN

College Student Personnel Association is a registered graduate student organization at UT that aims to support the social, professional, and academic development of students in the Masters of Science in College Student Personnel Program.

Vice President of Community Development

- Advise a committee to plan frequent social programming and community service events.
- Coordinate the graduate reception at CSP hooding for graduates and their families. Plan an end of semester social celebration for the graduating cohort.
- Coordinate the CSP-Pal peer mentoring program to aid retention and sense of belonging for incoming students.

Lady Spirithunters

Florida State University – Tallahassee, FL

Lady Spirithunters is a registered student organization at Florida State that focuses on spreading school spirit, supporting Seminole athletics, and is involved in the Tallahassee community. This organization also focuses on philanthropic efforts and social events.

President
